

# 12" x 30FT Mar-A-Medium Brite Buff Roll

Part No: 53077

ARC Abrasives' Rolls are crafted with high-quality, flexible abrasive cloth, providing exceptional durability and versatility for a variety of applications. These rolls offer an excellent price-to-performance ratio, making them ideal for general-purpose use on all metals. Perfect for cleaning and finishing tasks, they are widely used by mechanical workshops, cutlery manufacturers, and plumbing product manufacturers.

#### Features & Benefits:

- **General Purpose:** Suitable for use on all metals, offering reliable performance across various tasks.
- **Easy to Tear:** Can be easily torn to the desired length, providing convenience for quick and precise use.
- **Highly Flexible:** Conforms to different shapes and surfaces, ensuring smooth and consistent results.
- **Ideal for Cleaning and Finishing:** Perfect for achieving a refined finish on a wide range of materials.

For a durable and flexible abrasive solution, ARC Abrasives' Premium Shop Rolls deliver the quality and versatility needed for professional metalworking tasks.

## Specifications
