

# Hook And Loop, AP HLDR 4-1/2" X 5/8-11 WITH 7/8" CENTER POST

Part No: 53904Z3-3

Discover the Hook And Loop, AP Holder 4-1/2 X 5/8-11 WITH 7/8" CENTER POST, designed specifically for professionals in industrial applications within the ARC Abrasives product line. This product ensures efficient and precise results in heavy-duty cutting and grinding applications. Whether you are working with metals like aluminum, mild steel, or stainless steel, this product offers exceptional durability and reliability to meet your toughest demands.

Abrasive hardware and attachments are essential components that enhance the functionality and versatility of abrasive tools. They include backing pads, mandrels, arbors, and adapters, each designed to securely hold abrasive materials such as discs, wheels, and belts, ensuring optimal performance during sanding, grinding, and polishing tasks. Utilizing the appropriate abrasive hardware and attachments is crucial for achieving optimal results in abrasive operations. They ensure that abrasive materials are securely attached and function effectively, enhancing the efficiency and safety of sanding, grinding, and polishing tasks.

## Specifications

Item Weight	0.000000
Weight UOM	LB
Thickness	40671
Freight Class for BOL	ABRASIVE PRODUCT
Structure	Surface Conditioning
NMFC Number for BOL	ABRASIVE CLOTH OR PAPER INCLUDING EMERY OR SANDPAPER
Product Line	Predator (Ceramic Hybrid)

Diameter	4-1/2"
