

# 3-1/2" x 50YD 80g Aluminum Oxide X-weight GP Roll

Part No: 7350006

ARC Abrasives' Rolls are crafted with high-quality, flexible abrasive cloth, providing exceptional durability and versatility for a variety of applications. These rolls offer an excellent price-to-performance ratio, making them ideal for general-purpose use on all metals. Perfect for cleaning and finishing tasks, they are widely used by mechanical workshops, cutlery manufacturers, and plumbing product manufacturers.

#### Features & Benefits:

- General Purpose: Suitable for use on all metals, offering reliable performance across various tasks.
- Easy to Tear: Can be easily torn to the desired length, providing convenience for quick and precise use.
- Highly Flexible: Conforms to different shapes and surfaces, ensuring smooth and consistent results.
- Ideal for Cleaning and Finishing: Perfect for achieving a refined finish on a wide range of materials.

For a durable and flexible abrasive solution, ARC Abrasives' Premium Shop Rolls deliver the quality and versatility needed for professional metalworking tasks.

## Specifications

Item Weight	0.000000
Weight UOM	LB
Surface Types	Aluminum, Mild Steel, Non-Ferrous
Market Application	Cleaning, Finishing, Light Deburring, Polishing, Scouring, Surface Preparation
Mineral	Aluminum Oxide

Product Line	None
Grit	80
