

9" x 11" 400g Aluminum Oxide J-Weight Cloth Sheet

Part No: 74114-6

ARC Abrasives' Sheets offer versatility for various tasks, from light sanding and cleaning to polishing. Whether used by hand or cut to size for powered hand sanders, these sheets are designed to meet the demands of different applications. Available with cloth or paper backings, they provide the flexibility needed for both delicate and more rigorous tasks.

Features & Benefits:

- **Tear-Resistant Cloth Backing:** Provides durability and strength, ensuring the sheet withstands tough use without tearing.
- **Higher Rigidity:** Ideal for heavier applications, offering stability and control during sanding and polishing.
- **PSA Backing:** Allows for easy attachment to various tools, making the sheets adaptable for multiple uses.

For reliable performance in sanding, cleaning, and polishing, ARC Abrasives' Sheets deliver the durability and versatility needed to achieve high-quality results.

Specifications

Item Weight	0.068100
Weight UOM	LB
Surface Types	Ferrous, Non-Ferrous, Stainless Steel, Wood
Market Application	Blending, Finishing
Backing Weight	J-Weight Cloth
Structure	Cloth

Mineral	Aluminum Oxide
Grit	400
Length	11"
Width	9"
