

# 3" x 3/4" x 1/4-20 eyelet 80g 8-Ply Aluminum Oxide X-Weight Cross Pad

Part No: 27966Z706

ARC Abrasives' Pads, including square pads, cross pads, and spin-on overlap discs, are specifically designed for accessing small, tight, and hard-to-reach locations. Their unique layered construction ensures that as the pads wear, new abrasive grains are continuously exposed, providing consistent cutting action for a range of applications.

#### Features & Benefits:

- **General Purpose Use:** Effective on all metals, offering reliable performance across various tasks.
- **Medium Weight Backing:** Combines a good stock removal rate with durability, making it suitable for both light and moderate tasks.
- **Layered Construction:** Ideal for moderate stock removal, with layers that progressively expose fresh abrasive grains.
- **Perfect for Tight Spaces:** Especially effective for grinding inside corners and other confined areas.

For versatile and reliable performance in challenging and hard-to-reach areas, ARC Abrasives' Pads provide the durability and cutting efficiency needed to achieve exceptional results.

## Specifications

|                    |   |
|--------------------|---|
| Item Weight        | 0.000000  |
| Weight UOM         | LB  |
| Market Application | Cleaning, Deburring, Stock Removal, Weld Blending |
| Backing Weight     | X-Weight Cloth                                    |
| Structure          | Cloth   |
| Mineral            | Aluminum Oxide                                    |

|                       |  |
|-----------------------|--|
| Performance Coat      | No   |
| NMFC Number for BOL   | ABRASIVE CLOTH OR PAPER INCLUDING EMERY OR SANDPAPER |
| Freight Class for BOL | ABRASIVE PRODUCT                                     |
| Product Line          | None   |
| Diameter              | 3"   |
