

Cartridge Roll 95Pc Assortment Kit

Part No: 50684-J

ARC Abrasives' Cartridge Rolls are the perfect solution for reaching small, tight spaces that are difficult to access with larger tools. Designed for consistent performance, the wrapped layers of the cartridge roll continually expose new abrasive surfaces as they wear, ensuring steady cutting action throughout the lifespan of the roll. Available in both straight and tapered constructions, these rolls provide versatility for various applications.

Features & Benefits:

- **General Purpose Grain:** Suitable for use on all metals, offering reliable performance in a wide range of tasks.
- **Consistent Cutting Action:** The backing wears away evenly, ensuring consistent metal removal and smooth operation.
- **Versatile Construction:** Available in straight or tapered designs to accommodate different needs and geometries.

For efficient and precise metalworking in confined spaces, ARC Abrasives' Cartridge Rolls deliver consistent performance and adaptability to help you achieve the perfect finish.
