

4" x 30FT Gray-S-Medium Brite Buff Roll

Part No: 53049

ARC Abrasives' Rolls are crafted with high-quality, flexible abrasive cloth, providing exceptional durability and versatility for a variety of applications. These rolls offer an excellent price-to-performance ratio, making them ideal for general-purpose use on all metals. Perfect for cleaning and finishing tasks, they are widely used by mechanical workshops, cutlery manufacturers, and plumbing product manufacturers.

Features & Benefits:

- General Purpose: Suitable for use on all metals, offering reliable performance across various tasks.
- Easy to Tear: Can be easily torn to the desired length, providing convenience for quick and precise use.
- Highly Flexible: Conforms to different shapes and surfaces, ensuring smooth and consistent results.
- Ideal for Cleaning and Finishing: Perfect for achieving a refined finish on a wide range of materials.

For a durable and flexible abrasive solution, ARC Abrasives' Premium Shop Rolls deliver the quality and versatility needed for professional metalworking tasks.

Specifications

Item Weight	2.534400
Weight UOM	LB
Surface Types	Aluminum, Mild Steel, Non-Ferrous
