

FLAP DISCS

ELEVATE YOUR BUSINESS WITH APEX CERAMIC

Flap discs provide the added benefit of longevity and durability over zirconia, and use aggressive cutting action on harder metals while leaving an aesthetic finish.

BENEFITS:

- Equipped with a polyester backing for longer life
- Ideal for metals like stainless steel and titanium
- Shorter cycle times and fewer equipment changes

4.5 x 5/8-11"	Type 27	Type 29	Grit	Price
