

PREDATOR

BONDED WHEELS

NO METAL STANDS A CHANCE™

PREDATOR™ offers a bonded line composed of Cut Off Wheels and Grinding Wheels that provide longevity and an aggressive cut throughout the product life.

Cut Off Wheels are designed for fast and precise cutting and trimming. Grinding Wheels were created for the more serious grinding applications and maximum stock removal.

BENEFITS:

- Grinding Wheels reduce friction to eliminate burning
- Cut Off Wheels use precision accuracy based on razor-thin thickness
- Cut Off Wheels are available in both Type 1 and Type 27 while Grinding Wheels are attainable in Type 27

PREDATOR T1 CUT OFF WHEELS

3" Pk Qty 50	Item	Grade
